

WINTER TIRE DISCOUNT

As part of the Government of Ontario auto insurance rate reduction plan, all provincial insurers have introduced a new winter tire discount for private passenger vehicles effective January 1, 2016.

The discount percentage varies by company.

DISCOUNT ELIGIBILITY

Depending on your insurer:

- The vehicle must have four winter tires installed for a minimum number of winter months.
- The tires must be certified as winter tires by Transport Canada and have the Alpine symbol.
- The vehicle must carry the following minimum coverage: Liability, Direct Compensation – Property Damage, and Accident Benefits. The discount will also apply to Collision coverage, if purchased. It does not apply to Comprehensive coverage.
