

MY DRIVING DISCOUNT

- Available on all qualifying **Intact/Novex** auto insurance policies.
- A program developed to reward good driving behaviour.
- You could save up to 25% off of your car insurance premium, with an automatic discount of 10% when you sign up for the program.
- A driving module is provided to you to plug into your car which records incidents of sudden braking, sudden acceleration, and the time of day that you drive.
- The data is used to calculate a personalized discount of up to 25% which you can monitor on-line.

Your premium will not increase based on the data collected.
